

VERNAZZA SOFT FABRIC

Furniture Fabric PC Chair

Based off Arozzi's Vernazza chair, featured in IGN's "The Best Gaming Chairs 2019", the new Vernazza Soft Fabric incorporates a luxurious furniture fabric option for comfort to the max. Get the same satisfactory sensation of relaxing on your sofa with the incredibly cozy upholstery.

The breathable material is designed for the body to stay cool for long term usage so you can stay focused. The durable fabric is also built to last with ISO tested qualities such as tear growth resistance, seam slippage resistance, and tensile strength. Another surprisingly pleasant feature of the fabric is how quiet it is, not producing the rubbing noise like in pleather or leather chairs.

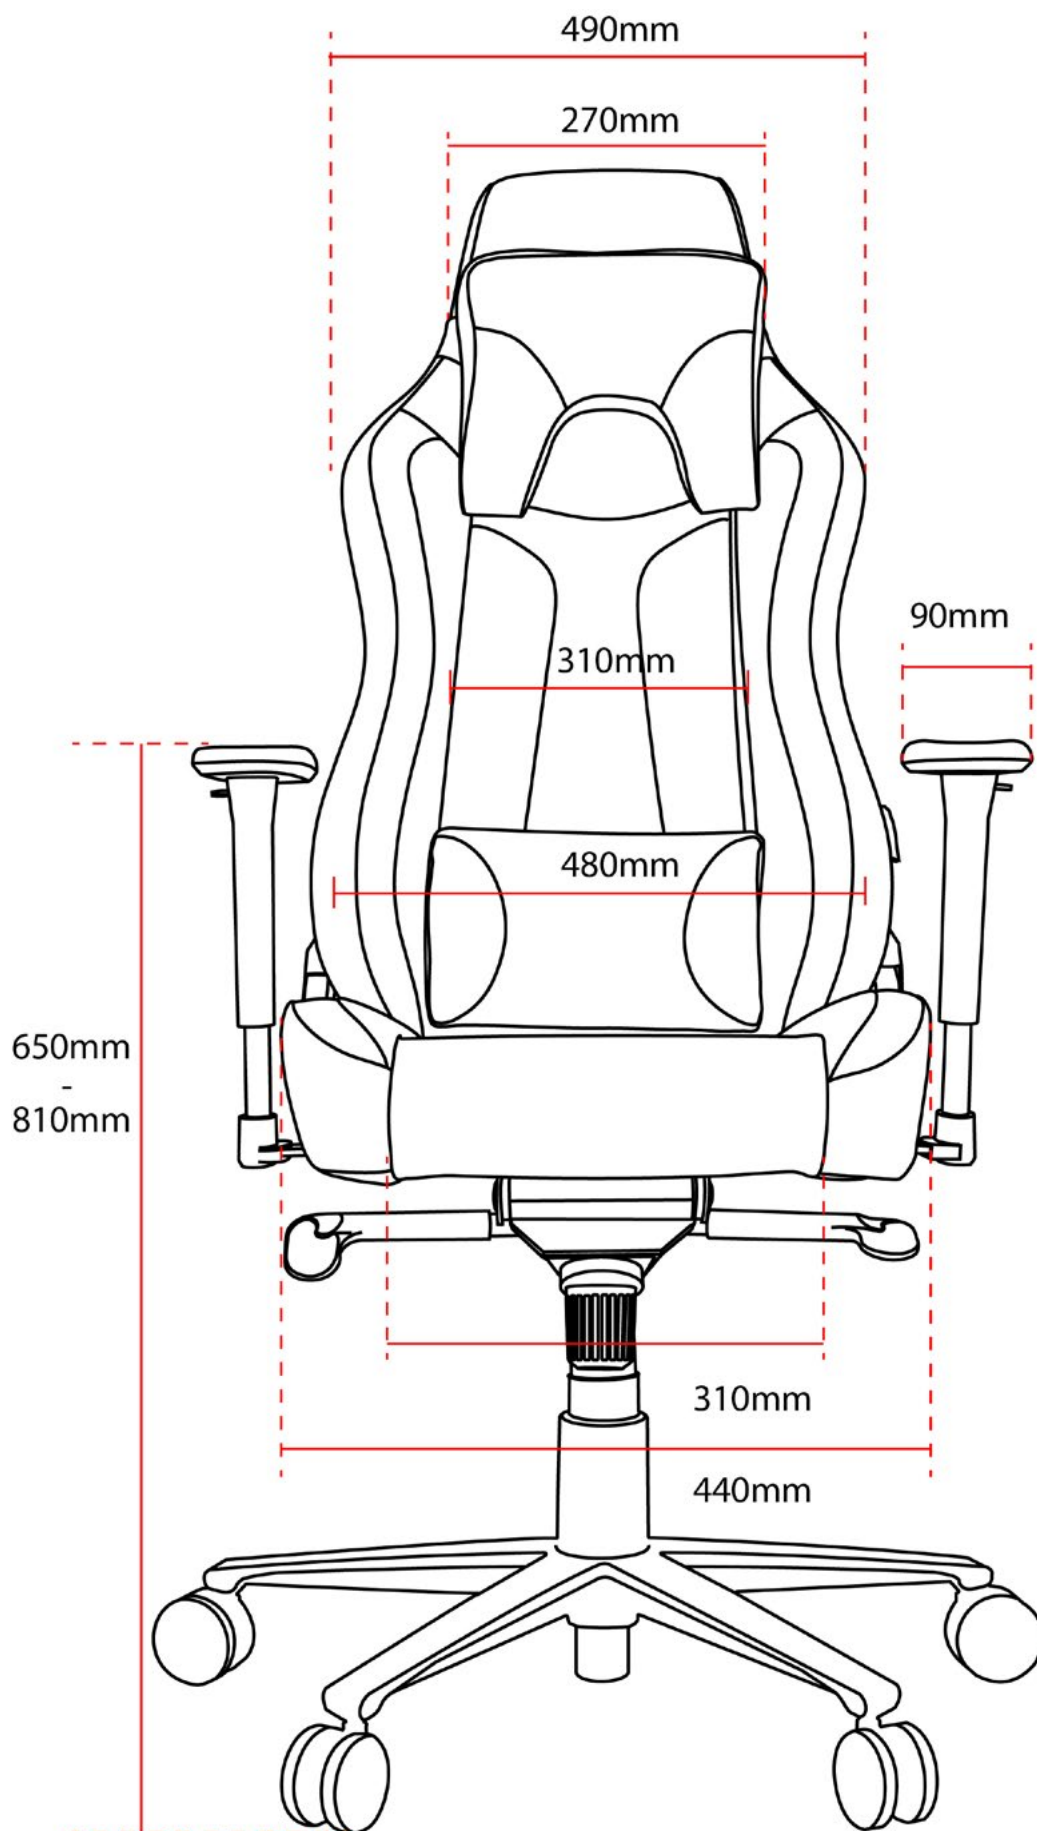

In addition to the fabric, the wheel base has been upgraded to a stylish matte black aluminium and the gas lift added extra height distance from the seat to floor.

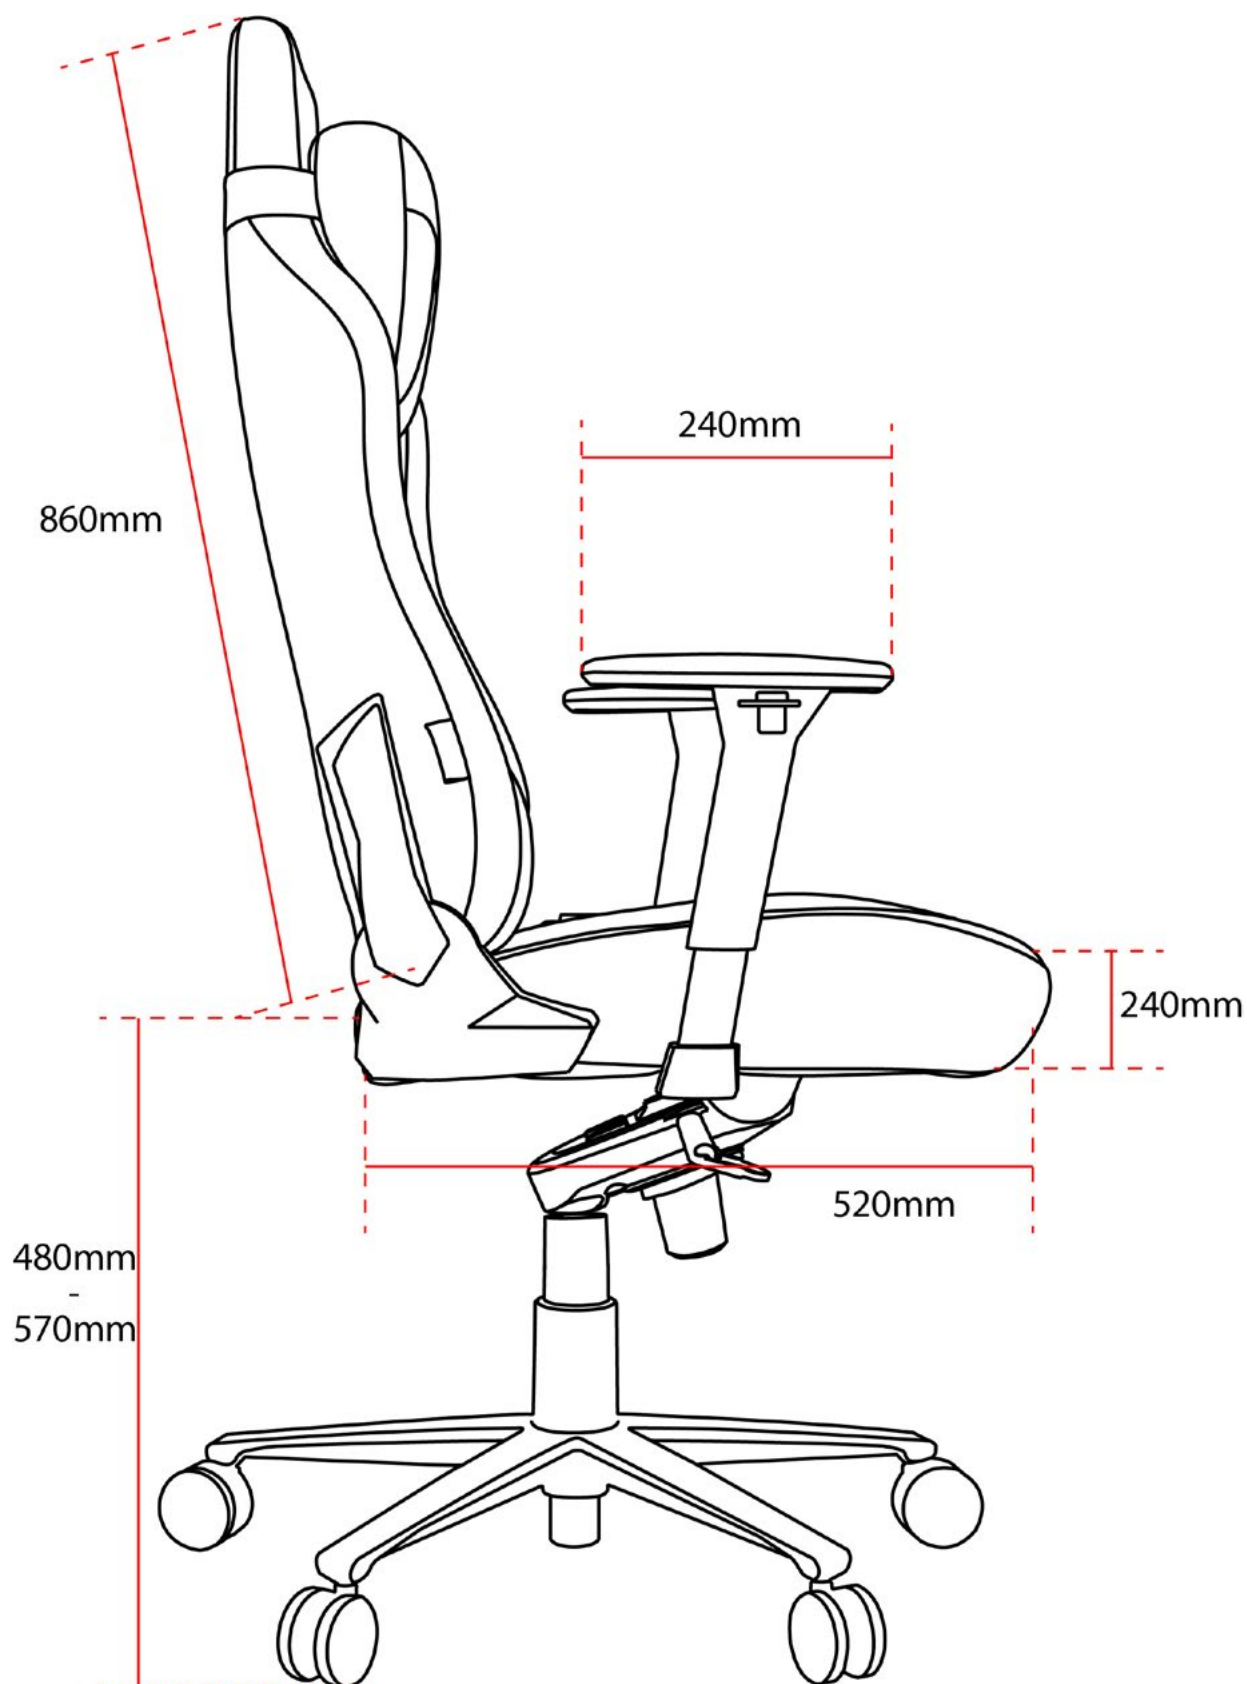

FEATURES

- Quality durable Fabric for cool comfort
- Adjustable Armrests – 3 dimensional (Up/down, spin left/right, & forwards/backwards)
- Locking Tilt Mechanism – 5 lockable rocking positions 3°- 20°
- Metal Frame – Durable metal structure designed for heavy use and stability
- Quality foam – High density shaped foam in the seat for professional use
- Class-4 gas lift – Durable for up to 145kg
- Higher rising distance of up to 58cm from seat to floor
- Upgraded 5-Star Durable wheel base
- Large premium casters
- Rocking Function
