

DisplayPort to HDMI Adapter - 1080p Compact DP to HDMI Adapter/Video Converter - VESA
DisplayPort Certified - Passive DP 1.2 to HDMI Monitor/Display/Projector Cable Adapter

Product ID: DP2HDMIADAP

The DP2HDMIADAP DisplayPort to HDMI Adapter provides a DisplayPort male and HDMI female connector, allowing you to keep your existing (HDMI) display while using a DisplayPort video card/source.

Supporting display resolutions of up to 1920x1200 (computer)/1080p (HDTV), this cost-effective solution maintains the incredible graphical performance offered by DisplayPort, while eliminating the cost of having to upgrade your HDMI-capable display to a display with built-in DisplayPort support.

DP2HDMIADAP is a passive adapter cable that requires a DP++ port (DisplayPort++), meaning that DVI and HDMI signals can also be passed through the port.

This adapter allows for audio pass-through if supported by the video source. Please review the video source manual to confirm support.

Backed by a StarTech.com 3-year warranty and free lifetime technical support.

Certifications, Reports and Compatibility

Applications

- The DisplayPort to HDMI adapter allows for an easy and hassle free connection to any HDMI-enabled display

Features

- **PERFORMANCE:** This DisplayPort 1.2 to HDMI adapter connects a DP desktop or laptop to an HDMI display, projector, monitor or TV Supports HD 1920x1200 (1080p) video, 7.1ch Audio, HDCP 1.4 VESA DisplayPort Certified
